### **iGHOST TERMS OF SERVICE & DISCLAIMER**

I, \_\_\_\_\_, understand that iGHOST (Indiana Ghost Hunting Organization Seeking Truth) is a non-profit group located in central Indiana which seeks to discover and document paranormal experiences and phenomena. I also understand that iGHOST members are highly experienced, yet non-professional paranormal researchers, and their investigation is merely an attempt to provide me, as well as the paranormal community as a whole, documentation of paranormal activity ONLY, such as by the use of cameras, audio recorders, video cameras, and other scientific equipment and methods. I further understand that iGHOST cannot and will not make claims or promises to eject, exorcise, or cross-over any spirits, or rid me or my property of any possible paranormal activity. In the event that I believe my property needs to be exorcised or cleansed, iGHOST will refer me to an organization that specializes in such procedures.

I further understand that at the conclusion of the investigation, iGHOST will review and interpret any documented potential evidence, personal experiences, or other, and will share all evidence and information collected with me, whether it be by e-mail, phone, or in-person. If an additional investigation is requested and/or suggested, iGHOST may return with my permission, unless they are unable to do so in a timely manner due to scheduling conflicts, or other unforeseen events or circumstances. In such a case, another paranormal team may be referred to me. I understand that iGHOST is not responsible for any actions by any team they may refer to me. I also understand that I am in no way obligated to offer additional investigations to iGHOST or any group iGHOST may refer to me in the future. I understand that by iGHOST conducting an investigation at this location, the possibility exists that paranormal activity may increase, possibly resulting in physical injury, death, or mental anguish or distress. I hereby waive any form of legal liability to iGHOST as an entity as well as its individual members, paranormal affiliates, and any other person(s) associated with iGHOST during the investigation of this location.
